Vendors Terms & Conditions (2023)

All vendors and organizations agree to follow the terms and conditions of the South Carolina Pride Festival. Failure to follow may result in removal of vendor privileges and ejection from the festival.

1. Acceptance of applications will be considered based on receipt at the South Carolina Pride Movement (SC Pride) mailing address. Applications received before the deadline are not guaranteed availability of space. SC Pride reserves the right to place or relocate vendors according to a master plan. Refunds will not be given to vendors that cancel due to assigned location in festival.
2. The Pride Festival is a community event. Nudity, indecency, or conduct inappropriate for the general public will not be tolerated. Information and items of a graphic sexual nature are illegal and cannot be distributed. Educational information or items regarding sexuality or safe sex are invited. Vendors shall not display or sell contraband items.
3. The vendor will be notified of their set-up time. Vendors will drop off items and immediately remove vehicles. Tear down will start at 6:00 pm, and vendors should vacate the premises no later than 7:00 pm.
4. SC Pride reserves sole rights to all water and beverage distribution. No beverages may be sold or distributed for free. Vendors that violate this condition will be shut down and the festival fee will not be refunded.
5. Illegally parked vehicles will be towed.
6. Vendors are responsible for all sales tax, licenses and insurance required by law. SC Pride will provide group business licenses for the event. No individual vendor business license is needed.
7. Vendors shall not share, sublet, or give booth space to another vendor.
8. SC Pride is a tax-exempt 501C (4) non-profit organization and has no source of income other than donations, sales and fees. After August 31, the application fee cannot be refunded for any reason.
9. No vendor shall sell or distribute with any combination of the words "South Carolina Pride, SC Pride, Pride 2023," or the SC Pride logo.
10. Noise, smoke, or visual displays shall not interfere with neighboring vendors or with the enjoyment of the public at the festival. SC Pride reserves the right to determine whether a booth is causing interference and ask for removal of any special effects.
11. The vendor shall conduct all business within booth space. No distribution or solicitations of any kind may be done outside the booth space without prior written permission.
12. All prices shall be posted legibly and prominently.
13. SC Pride will provide uniformed police security on the premise; SC Pride accepts no responsibility for items lost due to theft or breakage.
14. Vendors are responsible for any damages caused to other vendors or the event.
15. All use of power must be handled by a city staff person responsible for wiring and plugging into the power source. Vendors that require electricity will have grounded extension cords that will not impose a trip hazard.
16. In the case of bad weather, city staff will decide whether to continue or stop anything using power in the festival.
17. Vendor will not be allowed in the festival until the event representative is on site. SC Pride and the City of Columbia reserve the right to deny any vendor access to the festival for past infraction of these terms and conditions or any relevant City Ordinance.

These terms and conditions are subject to change.
